

MESSAGE FROM THE PUPS

With great reverence and appreciation, the National Timberwolf Pups Association dedicates this issue of the *HOWL* to an honorable, beloved Timberwolf who led a devoted life of service in every sense, personally and professionally, and will be deeply missed.

Major General (Ret.) T. K. Moffett July 11, 1949–June 5, 2023

TUPELO, MISSISSIPPI—TERRILL KAY MOFFETT, 73, passed away Monday, June 5, 2023, at the Sanctuary Hospice House in Tupelo. You may have known T. K. Moffett as an Attorney, a Major General, a Judge, a restaurant owner, a Professor, a City Prosecutor, a Deacon, a Music/Youth Minister, an Author, an Army West Point Rabble Rouser, or someone occasionally out of gas on the side of the road as he moved quickly from responsibility to responsibility, but his family just called him “Granddaddy.” Whether at the beach, on the boat, singing Elvis karaoke, running a half-marathon at a whim, or driving his truck in a parade, Granddaddy was a joy. From the humblest of beginnings, his hard work and determination led him on a great adventure for both the Kingdom and his country.

T. K. Moffett was born on a small farm near Becker, Mississippi, on July 11, 1949. He was the youngest of nine children born to Elmer Carlos Moffett and Mary Ethel Meek Moffett. As a young man, he gave his life to Christ at Becker Baptist Church, where he would also help lead musical worship in his teenage years. He was an honor graduate from Amory High School and received nominations to all three U.S. Service Academies. T. K. chose the United States Military Academy at West Point, where he graduated with a Bachelor of Science Degree. After the Academy, he served as an Airborne Infantry Officer and Armor Officer, and graduated from both the Infantry Officer Basic Course and the Airborne School at

Fort Benning, Georgia. He would go on to earn a Master of Arts Degree in Political Science from the University of Hawaii and a Juris Doctor Degree from the University of Mississippi. He is also an honor graduate of the Command and General Staff College at Fort Leavenworth, and he completed United States Army War College as a Harvard Fellow at Harvard University.

Continued on pg. 2

Major General Moffett's military career spanned 40 years in the Army, Army Reserve, and the Mississippi Army National Guard. He commanded at every level, from Platoon Leader to Tank Battalion Commander to Division Commander, having served in the 155th Armored Brigade, the 25th Infantry Division, the 4th Infantry Division, the 91st Division, and the 104th Division. He mobilized with the 155th Armored Brigade for Operation Desert Shield and Operation Desert Storm, and with the 91st Division for Operation Enduring Freedom.

T. K. was promoted to Brigadier General in 1999 and Major General in 2003. He was the Commanding General of the Troop Command Mississippi National Guard, the Deputy Commanding General of the 91st Division in California, and the Commanding General of the 104th Division in Vancouver, Washington. He retired from the military in 2007.

His awards and decorations include the Global War on Terrorism Medal, the Army Distinguished Service Medal, the Legion of Merit, the Meritorious Service Medal, the Army Commendation Medal, the Mississippi Magnolia Cross, the Mississippi Magnolia Medal, and the Mississippi Commendation Medal.

While pursuing a dual career with the military, T. K. practiced law for almost 45 years. He was the owner of Moffett Law Firm, PLLC, with offices in both Tupelo and Amory, and he was admitted to practice law in both Mississippi and Alabama. He served as Tupelo City Prosecutor from 1989 through 1999. In 2015, Governor Phil Bryant appointed T. K. as Chancery Judge in Northeast Mississippi's First Judicial District.

Major General Moffett was also the Founder and Owner of Moffett Leadership Institute, and conducted leadership and ethics training with numerous military forums throughout the United States, Nigeria, and Rwanda. He also studied Municipal Policing at Harvard University. He defined a leader as "one who has a clear vision of the way things ought to be, articulates it, and, while setting the example in word and deed, inspires others to adopt the vision and work willingly toward its accomplishment." He also believed leaders are servants.

Though all these accomplishments are incredible, they are not his greatest source of pride. His foremost joy was in his family. He was blessed for 51 years to be married to Rita Millsaps Moffett, who has supported him from their first military assignment at Scofield Barracks in Oahu, Hawaii, to their final assignment in Vancouver, Washington. While in Hawaii, they helped plant Mililani Baptist Church, where the Gospel is still thriving today. Rita's ministry of hospitality has been a particular blessing as they've welcomed countless people from the

East Coast to the West Coast around their table and sought to serve both their soldiers and neighbors, especially during holiday meals, ice storms, and tornado warnings. Their partnership in kindness and generosity toward others is a great legacy.

As a father, T. K. could not be prouder of his daughter, Tara Leigh Moffett Dowden. His constant support and encouragement allowed her to flourish and to never doubt she was loved. He would often say to her, "If I'd picked you out of a catalog, I would not have changed a thing." He would often say to others, "She is such a joy." At Bay Springs, he helped make lasting memories for Tara and her friends as they spent time together skiing and tubing, and trying to keep the houseboat from sinking because there was always room for one more!

As a father-in-law, none could have been more welcoming than T. K. was to his son-in-law, Dr. Landon Dowden. From the first visit, with T. K. showing countless home videos of Tara Leigh, to T. K.'s purchasing of LSU football national championship tickets (which is hard for any Rebel to do), his love and support have been evident. He was always proud of his preacher son-in-law, and his handwritten letters of encouragement will always be treasured.

His particular joy since 2004 has been to attend countless swim meets, baseball games, soccer matches, tennis matches, football games, and ballet recitals for his four grandchildren: Arabella, Adalaide, Adoniram, and Alastair Dowden. Times together at Disney World, the beach, and the lake have provided lasting memories and lots of laughter; and nobody's laugh was like Granddaddy's! Special opportunities at Huntington Beach and Pearl Harbor because of his military service helped instill a love and gratitude for our country. But singing Karaoke in the living room, riding with Granddaddy in the Amory and Tupelo parades, or swimming all day in the pool while Granddaddy grilled great food are the daily moments of life together that will be missed.

He is survived by his wife Loreta Millsaps Moffett; daughter, Tara Leigh Moffett Dowden, and her husband, Dr. Landon Gene Dowden; four grandchildren, Arabella Leigh Dowden, Adalaide Mary Meek Dowden, Adoniram Landon Dowden, and Alastair Millsaps Moffett Dowden. T. K. also deeply loved and enjoyed his surviving sisters and brothers: Dorothy Lou Moffett Clemens (who helped strengthen his writing skills), James Edwin Moffett (who helped fuel his sense of adventure), Carroll Moffett (who helped care for him), and Mary Frances Moffett (who was his constant encourager and supporter). He also loved and is survived by numerous nieces and nephews, as well

NTPA Reunion 2023: Washington, DC

GREETINGS AND HAPPY SUMMER! I HOPE 2023 is treating you well, and that you are doing summer things and planning trips. We are looking forward to our Washington, DC, reunion, and hope that many of you are planning to attend. Please register soon so we can solidify the tours we have booked. As I mentioned last time, we have lots of free time to explore DC, with many things you can do on your own easily. The tours we do have planned are good ones and should be enjoyable for all.

Hotel reservations have been a problem for some, as the hotel only gave us a few days before and after the reunion dates at the same rate. The rate is still the same for the actual reunion dates, but it seems that trying to book early dates bumps the rate up for the whole time if you try to book online (<https://book.passkey.com/go/NTPA2023>). I suggest that you call our hotel representative directly if you want to extend your trip on either end of the reunion: **Sabrina Cole, Event Manager, 703.416.3849**. Sabrina has been very helpful and willing to take phone calls. Though the hotel has been generous with our rate, it limited us, as travel volume has been fluid due to COVID. (I think they are hoping for increased bookings this year with the posted rate.) So please confirm your reservation as soon as you can. If necessary, you may want one reservation for the reunion dates and a separate one if you want to come early or stay late.

As I mentioned in the last newsletter, we are doing the Beer Bust Raffle again (due to popular demand?!), and we encourage you to look through your stuff for any donations that could be added to the raffle pile. It is a fun part of our annual reunions that also supports our mission to uphold and share the WWII Timberwolf legacy.

Speaking of, our 104th museum exhibit at Fort Douglas continues to welcome visitors. In a recent conversation with Fiona (the museum director's assistant), I learned that the exhibit is still up in total, and it is her pride and joy. The museum is looking at ways of protecting the panels for long-term display and have been discussing plans for the interactive online display, for those who cannot make it to Salt Lake City. Fiona directs all visitors to explore the story of the Timberwolves, so our efforts there have been well spent. And the museum will happily accept donations of funds as well as artifacts and remembrances. Please be sure to reference the Timberwolves if you send anything to them (<https://fortdouglas.org/>, 801.581.1251).

Additionally, the NTPA board voted to send a stipend every year to support Fort Douglas with these efforts, and we hope to expand on this support in the future. We are also looking to

create a remembrance near Camp Adair in Oregon in connection with the 104th and other units that trained there. We will keep you posted on both of these endeavors as more updates arise.

It is so very nice to renew our friendships at the reunions each year as we come together to honor our fathers, uncles, and dear friends who made such an impact in their fight for freedom and democracy—a great legacy for which we can all be grateful. As there are so few of these heroes left, let us strive to honor their patriotism and love of country by dedicating ourselves to the preservation of the legacy and the democracy they fought for so bravely.

Hope to see you in Washington, DC...

DID YOU KNOW...?

John Steinbeck made mention of Timberwolf MG Terry de la Mesa Allen in his 1958 book *Once There Was a War*:

For every publicity-mad military ham, there were great men like Terry Allen and General Roosevelt, while in the ranks, billeted with the stinking, cheating, foulmouthed goldbricks, there were true heroes, kindly men, intelligent men who knew or thought they knew what they were fighting for and took all the rest in their stride.

Steinbeck had already achieved fame for *The Grapes of Wrath* when he served as a WWII war correspondent for the *New York Herald Tribune* in 1943. *Once There Was a War* is a collection of these wartime articles.

Operation Pheasant

THE 2ND ARMORED IN EUROPE IS AN ORGANIZATION whose main role is to provide commemorative events in Europe, following the routes of US WWII Divisions on their original battlefields. During these events, reenactors portray Armor, Recon, and Armored Infantry, as well as support troops. This year's event is called "Operation Pheasant" (October 20-29, 2023), following in the footsteps of the Timberwolves in Belgium and the Netherlands.

Operation Pheasant begins in Kalmthout/Nieuwmoer, Belgium, on the Dutch-Belgian border, and ends in Holland near Sprundel. During the week, towns like Zundert, Standaardbuiten, and Oudenbosch will be visited as well. There will be wreath-laying ceremonies in the towns, attended by a representative of the US Ambassador to the Netherlands, a representatives of the US Army, and last but not least, the Friends of the Timberwolves. More information can be found on the Operation Pheasant Facebook page: <https://facebook.com/profile.php?id=100093264159398>.

This is going to be a very special event that would be even more memorable if Timberwolf Veterans would be able to attend as honored guests. The organization would like to get in touch with any Veterans who would like to travel to Europe in October, because there might be funds available to contribute to the cost of the trip. For more information, please contact Esther Eenhuizen: esthereenhuizen@hotmail.com or 0031.651.536.86.
